SIR,

With reference to your letter No. L.6543 Med.29-21 15, dated 9th May 1922, requesting me to reconsider my opinion regarding the retirement of Sister Germaine Mary, I have the honour to submit as follows:-

These Sisters of Charity were entertained on the Staff of the Old General Hospital, Mysore, several years ago, when the institution was yet in an undeveloped condition and perhaps when trained Nurses were not to be had easily. Since the opening of the new building under the name of Krishnarajendra Hospital, the quality and quantity of work done in the Hospital has greatly increased and the need for Nurses possessing thorough training in Sick Nursing has been growing. Yet these sisters of charity were allowed to remain merely because they had already put in some years' service and it would be hard to send them away before they become superannuated. The religious scruples of these Sisters render them unserviceable for nursing duty proper and they have to be given only light work such as supervision of the diets, milking and the linen. and to work in sheds.

2. Subsequent to the re-organisation of the establishment of the Hospital on the lines of the Victoria Hospital, the Matron has had to furnish the prescribed security and to take charge of
